## Useful Links

No doubt the children got all sorts of flashing, noisy toys for Christmas - oh the joy! Button batteries, which are in many toys, can be seriously harmful and even lethal to small children if swallowed.

Dorset and Somerset Air Ambulance have a very useful advice and safety document available at:

## Happy New Year!

 **Happy New Year!** We hope everyone was able to enjoy a happy and healthy Christmas and New Year. As you've probably heard from the children, Meg has left LB's, and we wish her all the best for her career change. We've had a few questions about where Meg is from the children but they seem to be taking the changes in their stride.

 We had lots of fun at the Christmas party, and hope the children enjoyed the entertainment from "Non-Stop Kids". We're sorry some children couldn't join us, but hope to do something similar in the summer term.

 Many thanks to Kirstie for donating a slide and climbing frame. The children have loved playing with it and have come up with all sorts of games and activities.

 It's been a very busy couple of weeks already; the children have been exploring Nursery Rhymes. They've had "Incy-Wincy Spider" water play, experimented with building bridges

for "The Three Billy Goats Gruff", and now we're investigating wall building with "Humpty Dumpty" and comparisons and counting with "Goldilocks and the Three Bears". The children have come to know the rhymes and stories really well - maybe they'd share these with you at home?
